

BP Terms

- | | |
|--|--|
|  GO:0001932 regulation of protein phosphorylation |  GO:0045859 regulation of protein kinase activity |
|  GO:0010562 positive regulation of phosphorus metabolic process |  GO:0045860 positive regulation of protein kinase activity |
|  GO:0019220 regulation of phosphate metabolic process |  GO:0045862 positive regulation of proteolysis |
|  GO:0031399 regulation of protein modification process |  GO:0045937 positive regulation of phosphate metabolic process |
|  GO:0031401 positive regulation of protein modification process |  GO:0051247 positive regulation of protein metabolic process |
|  GO:0042325 regulation of phosphorylation |  GO:0070201 regulation of establishment of protein localization |
|  GO:0043066 negative regulation of apoptotic process |  GO:1903510 mucopolysaccharide metabolic process |
